

Membership Invitation & Dues Reminder

Social Action Council (SAC) Membership and Friends,

This is the time of year that we remind our members that SAC is funded by its members and we encourage them to pay annual dues. If you are interested in joining, a membership form is below, but if you are already a member, you don't need to complete it. Just mail the check. We know who you are. If you think you might be a 'Friend', i.e., you like what we do and are you are thinking about stepping up your involvement in social justice, this might be the perfect time to self-identify. Complete the form below and mail a check. Typically we raise about \$1000 through memberships and small gifts and spend about \$2000. Kind of a Loaves and Fishes thing. And special gifts. It's been working for twenty years.

Why do we need money? To fund a few small projects, give money to youths and other church members wanting to attend seminars, to pay honorariums to speakers at our Issues Forums, and fund expenses such as stamps and postcards on specific actions (such as a 2020 action to reach out to voters in Alabama who have fallen off the registration records).

What will we do to promote Social Justice in 2021? We think 2021 will be another year of transition and opportunity. We doubt that things will return to 'normal', but we plan to charge forward using our newly acquired Zoom and webinar skills. We plan to work closely with the ministers and board on the top priorities, whatever they may be. We believe that social justice will be a focus of the church. Social Justice is what we do. If you are 'woke' by recent events and want to make a difference, we invite you to join with us in 2021. Become a member. Attend our meetings. Attend Issues Forums and Webinars. Read our postings on REALM and church social media to find out more.

We hope that many of you are ready to come out of bleachers, get down on the playing floor and become activists for Social Justice in 2021!!
